II. ADMINISTERING OATH OF OFFICE TO POLICE SERGEANTS

- A. Frank Benigni
- B. Ian Hill

President Smith stated the Township of O'Hara is extremely proud of its Police Department. The Police Officers are highly trained, efficient, and an effective group of professionals that work together as a team. He noted four Police Officers' accomplishments would be recognized. Magisterial District Judge Matt Rudzki was in attendance to administer the Oath of Office to the Township's new Police Sergeants, Frank Benigni and Ian Hill. President Smith also stated later this evening Police Superintendent Jay Davis would recognize the accomplishments of Maria Sciacca and Natalie Richards.

Police Superintendent Davis thanked Magisterial District Judge Rudzki for his willingness to administer the Oaths of Office, and the Civil Service Commission members in attendance for their part in the Sergeant testing process.

Police Superintendent Davis asked Officers Frank Benigni and Ian Hill to stand. He thanked the families of Officers Benigni and Hill, acknowledging their sacrifices as the Officers leave their families to serve the Township. He thanked Officers Benigni and Hill for stepping forward to assume the challenge of supervision. Police Superintendent Davis suggested as they embark on their new roles to consider the words of Author, Peter Drucker, 'Being promoted doesn't bestow privilege or power, it imposes responsibility.' He stated, "It is a great responsibility to lead the women and men of this organization, and I say without hesitation, both of you are prepared to do so. The Oath of Office will be administered by Magisterial District Judge Matthew Rudzki." Police Superintendent Davis asked Officer Benigni to step forward.

Magisterial District Judge Rudzki administered the Oath of Office to Police Sergeant Frank Benigni. Police Superintendent Davis requested Sergeant Benigni's representative to do the honor of the Pinning Ceremony. He explained the ceremony is traditional in law enforcement.

A very brief photo session followed.

Magisterial District Judge Rudzki then administered the Oath of Office to Police Sergeant Ian Hill. Police Superintendent Davis requested Sergeant Hill's representative to do the honor of the Pinning Ceremony.

A very brief photo session followed.

III. POLICE OFFICER RECOGNITIONS

A. Maria Sciacca, Drone Operator for North Hills Special Emergency Response Team

Police Superintendent Davis asked Officer Maria Sciacca to come forward. He announced to Council that Officer Sciacca has been chosen to represent O'Hara Township on the North Hills Special Response Team ("SRT") as an Intelligence Officer and Drone Operator. He had requested Officer Sciacca to provide an overview of the Township's drone capabilities and why her position at the North Hills SRT is so important to our communities. Police Superintendent Davis congratulated Officer Sciacca on her accomplishment.

Officer Sciacca stated the Township purchased the drone about a year ago. It is made by DJI, a leader in drone technology. This drone is the latest innovation in their enterprise of drones which is geared specifically for public safety and law enforcement. Officer Sciacca noted the drone's specifications, including weather resistant, thermal imaging, weight, and can sustain a hover with 30 m.p.h. winds. Depending on weather conditions the batteries could last up to 40 minutes. Officer Sciacca has operated the drone for Harmarville, Sharpsburg Borough, among many other situations, and now with the North Hills SRT. She noted O'Hara Township is one of the first to have this specific drone.

Police Sergeant Hill questioned the distance the drone could travel. Officer Sciacca estimated five miles in this area, and fifteen miles in flat terrain. However, the FAA requires drones to be operated within the visual line of sight. The FAA must be notified of drone use only in certain situations.

A very brief photo session followed.

B. Natalie Richards, Life Saving Recognition Award

Police Superintendent Davis asked Officer Natalie Richards to come forward. He stated as a Police Officer, the preservation of life is at the core of who they are. On June 24th, Officer Richards displayed quick action and dedication to the core values by providing lifesaving support by administering Narcan and CPR to a person in need. The actions of Officer Richards and Parkview EMS were instrumental in the preservation of life. Police Superintendent Davis proudly presented the O'Hara Township Life Saving Recognition Award to Officer Natalie Richards.

A very brief photo session followed.

President Smith thanked Magisterial District Judge Rudzki and Police Superintendent Davis.

IV. CITIZEN COMMENTS CONCERNING NON-AGENDA ITEMS

Mr. Charles Vogel, former Councilmember, was in attendance to request Council to allow beer at the neighborhood picnic at Raymond Schafer Park at the end of August. He also invited all of Council to the picnic. Mr. Vogel stated there are games for the kids, everyone brings food, and it is a good time. The invitation extends to past, present, and future residents of Montrose Hill.

President Smith inquired about past problems, which Manager Jakubec indicated there have not been any issues.

The consensus of Council was to allow beer for the Montrose Hill Neighborhood Picnic at Raymond Schafer Park.

Ms. Payne questioned when Council grants such a waiver if the resident still pays the permit fee and damage deposit, which Mr. Vogel confirmed, and indicated he would come to the Township officer for the permit.

Mr. Vogel commended Council for their good job with the chicken ordinance. Though he has room, he did not intend to raise chickens. He also noted coyotes in the neighborhood.

V. MINUTES

- A. Council Public Hearing - June 6, 2023
- B. Council Workshop - June 6, 2023
- C. Council Regular Meeting - June 13, 2023

Motion by Ms. Payne to approve the subject minutes as presented was seconded by Mr. Hammill and carried unanimously.

VI. FINANCE

A. Vouchers – June 2023

Motion by Mr. Hughes to pay the subject vouchers as presented was seconded by Mr. Stewart.

Mr. Stewart inquired about the Black Diamond Equipment Rental expense. Manager Jakubec explained the bin block lifter will be used for construction of retaining walls.

The Manager also announced the Township will provide a dumpster at the municipal building for recycling cardboard boxes.

On voice vote the motion carried unanimously. The vouchers total \$561,610.86.

B. Receipts and Expenditures Records – May 2023

Motion by Mr. Stewart to accept the receipts and expenditures records as presented was seconded by Mr. Hammill and carried unanimously.

C. Treasurer's Report

Treasurer Caprara stated the Township's finances are going well.

VII. REPORTS

A. Other Organizations and Agencies Reports

Mr. Stewart recalled discussions with John Kight of the RIDC Association, about the traffic light at Gamma Drive. The traffic signal does not seem to recognize cars. Mr. Steinert, Jr. indicated he would have the loop under the pavement inspected.

Mr. Stewart also noted Mr. Kight had requested use of the street sweeper in RIDC. Mr. Todd Giammatteo, Public Service Superintendent, stated the street sweeper was just up there.

Mr. Stewart stated Mr. Kight also indicated he would like to have regular meetings as they rebuild their Council. Manager Jakubec indicated a meeting is scheduled with Mike Connors with Howard Hanna, Jenny Easton, and others from RIDC and the Township and will loop them in to determine what RIDC is envisioning versus what they are envisioning.

B. Monthly Departmental Reports

Mr. Stewart inquired about a zoning variance requested for a swimming pool location in the front yard. Mr. Komora explained the property is a corner lot and the pool is on the side of the house, but since the side of the house fronts a street, it is considered a front yard.

Mr. Stewart questioned the difference between a sidewalk sale and a garage sale. Manager Jakubec explained a garage sale is in a residential zone on private property, and the sidewalk sale was near the Baskin Robbins on Freeport Road, which required a temporary use permit.

Mr. Stewart inquired about progress with the cemetery stormwater detention facility. Mr. Steinert, Jr., P.E. stated he continues to work with the cemetery.

Mr. Stewart asked if a 'rolling domestic' is in a vehicle, which Police Superintendent Davis confirmed.

Ms. Payne referenced an incident at the Verizon Store and questioned if the Social Services Coordinator was included to respond. Police Superintendent Davis indicated he would need to verify. He also stated Jaylen has been a great asset to the department.

C. Manager's Report

No comments.

VIII. REVIEW / DISCUSSION / CONSIDERATION OF ACTION

A. Authorizing the Grant of a Driveway Easement to Nicholas Ray and Brittany Rena Stahlnecker

Manager Jakubec explained a recent survey of 214 Linden Avenue shows the driveway for the property is located on Lot and Block 291-M-60, which is a Township Park. The Township Engineer has recommended the Township grant an easement for the existing driveway, as the driveway cannot be safely relocated off Township property. An existing shed and gravel parking pad must also be removed from Township property and the areas are to be restored to grass. A motion will be needed to introduce for first reading Ordinance No. B-24-2023.

Mr. Vogel questioned the accuracy of the lot and block numbers, noting the Township owns lot and block 291-M-80, but 291-M-60 is further up the river. The Manager noted Raymond Schafer Park consisted of two lot and blocks. Staff is to double check the lot and block numbers.

Mr. Vogel inquired about how the Township dealt with 'Rural Lane' as indicated in the legal description of the Grantee's property. Mr. Steinert, Jr., P.E. explained 'Rural Lane' was considered a paper street, which defers to the property owner.

Motion by Ms. Payne to introduce ordinance No. B-24-2023 was seconded by Mr. Hammill and carried unanimously.

B. Recommending Awarding a Contract for the Powers Run Sanitary Sewer Relocation and Stream Restoration Project

Manager Jakubec recalled bids for the subject project were received and opened during the June 13th regular Council meeting. Township Engineer Chuck Steinert has recommended awarding the contract to All Phase 2 Site Contracting in the amount of \$362,587.81 for the stream restoration

base bid and \$154,895.84 for the sanitary sewer alternate for a total contract amount of \$517,483.65. If acceptable, a motion will be needed to approve resolution Bill No. B-25-2023.

Motion by Mr. Stewart to approve resolution Bill No. B-25-2023 was seconded by Mr. Hughes.

It was noted that Lennon Smith Souleret Engineers verified the references.

On roll call the motion carried unanimously.

- C. Requesting Authorization to Submit a Grant Application to the Commonwealth Financing Authority for a Multimodal Grant for the Alpha Drive Sidewalk Improvements Project

The Manager stated Lennon Smith Souleret Engineers is preparing a grant application for the Alpha Drive Sidewalk Improvements Project. Staff is seeking authorization to submit the grant application in the amount of \$1,020,000. If acceptable, a motion will be needed to approve resolution Bill No. B-26-2023.

Motion by Mr. Hammill to approve resolution Bill No. B-26-2023 was seconded by Mr. Stewart and carried unanimously.

- D. Requesting Authorization to Execute a Memorandum of Understanding Between Indiana Township and O'Hara Township Police Departments and Fox Chapel Area School District

Manager Jakubec explained the resolution authorizes the execution of a Memorandum of Understanding ("MOU") between Indiana Township and O'Hara Township Police Departments and Fox Chapel Area School District. The purpose of the Memorandum is to establish policies and procedures to be followed in the event of certain incidents within the school settings. The MOU must be renewed every three years for the school district to have a Police Department. The Township Solicitor reviewed the MOU. If acceptable, a motion will be needed to approve resolution Bill No. B-27-2023.

Motion by Mr. Stewart to approve resolution Bill No. B-27-2023 was seconded by Ms. Payne and carried unanimously.

- E. Recognizing the Services of Karl Kline

The Manager stated Karl Kline has served on the Township Zoning Hearing Board since May 2017. Mr. Kline submitted a letter of resignation from the Zoning Hearing Board, as he was moving out of the Township. It has been past practice to recognize resident volunteers that have served on various Township Boards and Commissions. If acceptable, a motion will be needed to approve resolution Bill No. B-28-2023.

Motion by Mr. Stewart to approve resolution Bill No. B-28-2023 was seconded by Mr. Hammill and carried unanimously.

F. Discussion of Sharpsburg Borough Reimbursing Township for Costs Related to Paving Sharpsburg's Portion of Ravine Street

Manager Jakubec stated the Township is in the process of trying to get a legal agreement with the gas company. The gas company was going to use our contractor to pave Ravine Street, and that will need to occur for Sharpsburg to piggyback off our bid. Mr. Steinert, Jr., P.E. explained Sharpsburg Borough would like to pave their portion of Ravine Street, which is about 180' south of the Township border into Sharpsburg. Sharpsburg is going to take off 1-1/2" of material and put down 1 1/2" of new material. Manager Jakubec noted Sharpsburg has approved up to \$10,000 for the milling and paving.

The consensus of Council was to allow Sharpsburg Borough to piggyback on the Township's paving contract for their portion of Ravine Street.

G. Requesting Authorization to Sell Township Vehicle on Municibid

The Manager stated staff is recommending the retention of the 2015 Ford Police Interceptor for use by the Public Service Superintendent as it is in better condition than what he is currently driving. Staff is recommending selling the 2020 Ford Police Interceptor through Municibid. Auctioning equipment through Municibid has been quite lucrative. If acceptable, a motion will be needed to approve the sale through Municibid.

Motion by Mr. Hammill to approve the sale of the 2020 Ford Police Interceptor through Municibid was seconded by Mr. Stewart and carried unanimously.

H. Requesting Authorization to Pay Routine Invoices in August 2023

Manager Jakubec stated typically, Council cancels the August meetings, though the meetings remain on the calendar in case there is a need to meet. Staff is suggesting that Council cancel the scheduled August 1st workshop, and August 8th regular meeting, and authorize the payment of routine August invoices. If acceptable, a motion will be needed to authorize payment of the routine August invoices.

Motion by Mr. Hughes to authorize the payment of routine August invoices was seconded by Mr. Hammill.

Ms. Payne asked if Council would receive a list of the invoices, which the Manager affirmed.

The motion carried unanimously.

IX. CONCERNS OF COUNCIL

Manager Jakubec recalled concerns that Council had emailed her. She informed Council that Lennon Smith Souleret Engineers sent a strong message to Shields Asphalt, the paving contractor, notifying them that the paving must be done before school begins. She noted the contract also includes a penalty clause if the work goes beyond August 23rd. Other than Ravine Street, the roads are ready.

Ms. Payne asked if Allegheny County Public Works has provided a time schedule for Delafield Road. Manager Jakubec recalled a conversation with the County. The County indicated the paving crew should finish a job in five or six days and barring weather and equipment breakdowns, they may begin paving Delafield Road next week. She also stated the County has apologized for only notifying Fox Chapel Borough about the work. The Manager had also emailed County Councilperson Prizio about the lack of communication and issues that resulted.

X. CONCERNS OF STAFF

Police Superintendent Davis informed Council about the All Traffic Solutions surveys that were done. The Officers were learning how to use the equipment on Oakhill. Both Oakhill Road and Cabin Lane have 10 days of tracking information. The most important information is the average speed per hour and the total number of vehicles in both directions. The Police were told there were people traveling over 50 m.p.h. on all the streets at all hours of the day. The actual survey shows while there are outliers, there are speeding vehicles at different times of the day, they are not excessive to the point that enforcement can be targeted. The equipment breaks down how to use manpower by the hour. The equipment does not show a display so a true, accurate read is obtained.

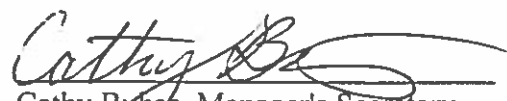

Manager Jakubec noted as required, the Annual Financial Report was put up for competition on June 28th to the Government Finance Officer Association ("GFOA") and hoped to receive an award.

The Manager noted the upcoming Touch-A-Truck event on Saturday. Since the weather forecast is predicting thunderstorms, the event may be rescheduled. A determination will be made on Thursday.

The Manager requested Council to remain after the meeting for an Executive Session to discuss labor matters.

XI. ADJOURNMENT

Motion by Mr. Hammill to adjourn the meeting was seconded by Mr. Hughes and carried unanimously. The meeting adjourned at 7:55 p.m. and Council entered Executive Session to discuss labor matters.
